Dearest Tzafoners,

What was an incredible Kinnus Gadol is now over. Now that our new Regional Executive Board elected, regional business moves to appointing our Regional General Board.

The RGB is an integral part of the workings of Tzafon. By being active on RGB, you can help program for conventions and Kinnus, and take a more involved role in Regional activities.

Each and every chairmanship is very important and it is hoped that we get at least one application for each position. Take time to read through the "**Regional General Board Booklet**", also included in the e-mail, put together by our own region's Joy Newman.

It gives an idea of not only most of the chairmanships are about but also gives a wealth of information and will hopefully serve as a springboard of new ideas and amazing programming.

NOTE: We have just added the new position of Freshmen Representative. This is important so that the underclassmen have a voice.

The Tzafon Region Constitution stresses that members of the RGB are "in good standing" with their chapters. Therefore, RGB members must take an active role in re-invigorating their chapters. The USYers selected (by the Regional Executive Board) to be on the Regional General Board must attend chapter events regularly.

Please take time to apply for a position. Applications, part of this note, are due by **JUNE 16, 2011**. You may fax, or ***preferably*** scan and e-mail in your application to Sandra.

We look forward to hearing from you.

Stay Tzexy,

Sandra L. Goldmeer
